EXPERIENCE

Web Design / Development Project

Starts With Me / Social Networking Website 2016

- Assisted the team as a full-stack developer, to deliver a social networking website for a client
- Proposed the necessary models and their associations, while maintaining simplicity
- Collaborated closely with the team's designer to enhance the visuals and usability of the app

SeatYourself / Online Reservation App 2016

- Contributed to both front-end and back-end development to build an online reservation app
- Researched and conducted various testing methods for Rails in order to assure the quality of the app
- Integrated a clean and user-friendly design for header, log-in, and registration page

Jiyou.ca / Portfolio Website 2013

- Designed and developed a portfolio website to showcase the art projects.
- become self-taught with HTML5, CSS3, and JavaScript
- Ensured a cross-browser compatibility, with an emphasis on accessibility
- Received positive feedback from visitors regarding the website's clarity and efficient user interface

Video Production Projects

Red Bird / Non Narrative Video Art 2012

- Conceptualized and produced a short video, which captures the aesthetic quality of an everyday object
- Chosen as an entrance piece to showcase at Maximum Exposure exhibition 2012 for its strong visual quality
- A DSLR camera was used to shoot multiple videos of a match burning under various settings.
- Used Adobe Premiere for post-production, varying the playback time and adding a background music

Taro's Fish (Wholesale / Retail)

2015 — 2016

Sushi Cook / Fishmonger

- Communicated with Ministry of Agriculture to ensure safe handling and storage of seafood amongst employees
- Made awesome sushis and sliced sashimi for customers
- Interacted with various restaurant owners in Toronto, to process daily orders and dispatch deliveries

Rainbow's End Gifts

2006 — 2008

General Manager

- Led the sales, booth design/display, arrangement of accommodation and transportation, at 7 national Gift Shows across Canada.
- Established a positive working relationship with customers, suppliers, and transport companies
- Coordinated and monitored the receipts, order assembly, and dispatch of goods in an accurate and timely manner on a daily basis
- Enhanced the company's reputation and personality significantly by providing excellent customer care both in person and over the phone.
